

The Love Of God [C]

[Default Arrangement] by Frederick M. Lehman, Frederick Martin Lehman, and Meir Ben Isaac...

V1, C, V2, C

C F C , C F C ,

Chorus (x2),
Instrumental, Chorus

Verse 1:

 C F/C C
The love of God is greater far,
 G C
than tongue or pen can ever tell
 Csus C F/C C
It goes beyond the highest star,
 G F C
and reaches to the lowest hell
 Fmaj7 C
The guilty pair bowed down with care,
 G C
God gave His Son to win
 C/E Fmaj7 Am
His erring child He reconciled,
 G F C
and pardoned from his sin

Chorus:

 Fmaj7 F C
O love of God how rich and pure,
 G F C
how measureless and strong
 Fmaj7 C
It shall forever-more endure,
 G F C
the saints' and angels' song

Verse 2:

 C F/C C
Could we with ink the ocean fill,
 G C
and were the skies of parchment made
 Csus C F/C C
Were ev'ry stalk on earth a quill,
 G C
ev'ry man a scribe by trade
 Fmaj7 C
To write the love of God above,
 G F C
would drain the ocean dry
 Fmaj7 Am
Nor could the scroll contain the whole,
 G F C
though stretched from sky to sky
